----------------------	--

On behalf of the above organisation:

- a) I am applying to the 342 Trust for funding as specified in the details set out. I agree to provide any further information as may be requested by The Trust to enable the Trustees to consider the application.

- b) I note that, where The Trust may be contributing to the cost of goods or services, The Trust will require receipted invoice(s) from the supplier of those goods or services. A grant is awarded only for specific pieces of work or purchases as set out in the grant application and which have not been started or made before notification of the Trustees' decision. The Trust will then make payments to successful applicants on receipt of proof that the work has been completed or the purchases made.
